YOUR CONSULTANT RICHARD GOODWIN

Richard has been a Finance broker primarily in the City for the past 25 years. His time was spent initially as an Interdealer Broker in Government Bond (Repo) Finance and for the past 15 years as an Equity Finance Broker. As an Equity Finance Broker, Richard worked and managed desks in London, Paris, The United States and in Switzerland. Richard worked for one of the biggest Brokerage Houses in the World but has traded and worked smaller operations and understands the needs of businesses to access Corporate Finance.

He has been involved in finance throughout his working career, starting in Government Bond Repo (collateralised loans) before moving into Equities – more specifically, acting as an introductory to major banks, Institutions and Hedge Funds.

Over the past 10 years, the use of Finance brokers has grown significantly. SME's are not limited to the traditional bank manager there are a host of Alternative Finance providers that have filled the void created by the 2008/2010 Global Financial Crisis which led to greater restrictions on traditional Bank lending.

Secured and Unsecured Loans

Ring fence short-term debt into manageable longer-term loans.

Asset Finance

Loans to obtain equipment from anything such as office computers to aeroplanes.

Bridging Finance

Short-term funding for purchase or freeing up capital for new projects

Invoice Finance

The release of up to 90% of cash tied up in unpaid invoices paid 30, 60 or 90 days in advance.

Running your business is what you do best, your time is valuable, Merranti Finance Brokerage can access multiple lending institutions to get the right Financing fit for your company, allowing you to concentrate on your business.
